

Earle Travel Fellowship in Technology - 2017

The Earle Travel Fellowship is awarded annually to support and encourage young professional engineers and food technologists. The aim of the Fellowship is to increase the knowledge and skills of professionals through overseas travel. It is envisaged that the skills gained, and the contacts made, through visiting overseas research and development institutes, and attending international conferences will enable successful candidates to improve technology in New Zealand.

Applicants for the Earle Travel Fellowship will be engaged in the study of or gaining practical experience relevant to either:

- *Product development and innovation management
- *Process development in bio-processing or food processing"

Applicants must be:

- a) New Zealand citizens or permanent residents with at least three years proven residence in New Zealand immediately preceding the year of selection.
- b) Members of a professional organisation recognised by the Board [Institution of Professional Engineers New Zealand (IPENZ), New Zealand Institute of Food Science and Technology (NZIFST), Institution of Chemical Engineers in New Zealand (IChemE), or Product Development & Management Association (PDMA)],
- c) Aged less than 40 years but with a preference given to candidates under 35 years.
- d) Employed in one of New Zealand's technological industries (products or services), or an associated research organisation
